**Report of Executive Board of the Kosciusko Association,
October, 1888.**

Your Board, organized Jan., 1888, by electing O. C. Parker, Chairman and J. P. Brown, Secretary. The Secretary to sustain the same relation to this Board that the Corresponding Secretary of the Convention Board sustains to it. The Board decided to hold its regular meetings in connection with the Union meetings of the Association, and to have called meetings when necessary.

Your Board, realizing the importance of system in the successful prosecution of all work, recommended that the churches take quarterly collections for the different objects fostered by the Convention Board, and that a report of said collections, with amounts collected on pastor's salary, incidental and other expenses, with collections of Sunday-schools and Ladies' Aid Societies, be made quarterly to the Secretary of this Board.

Executive Board.

On motion, Elder W. H. H. Fancher and C. W. Burks were invited to seats in our body.

The report on Education was read, and its discussion postponed until afternoon session.

Adjourned to hear a sermon from Elder Joel Baskin, text, Isa. 55: 11, and for dinner.

EVENING SESSION.

The body was called to order by singing. Prayer by Elder L. C. Whitehead.

The report on Education was taken up, and, after some remarks, was adopted as follows:

Education. ✓

Moral, literary and spiritual are the subjects to which we invite your attention. The day seems to have gone in which the Lord had use for our ignorance, and in the onward march of education, among the people, there has been an increased interest in the liberal culture of our churches and communities. Still it is evident to the casual observer that there is yet a want of zeal among the people of God in Christian education. To be endowed with wisdom, both to teach and to be taught, is the result of that training of the mind, subduing of the will and overcoming the passions, which are the legitimate objects of good and pious teaching.

Ignorance, vice and superstition are triplets that go hand in hand, and are naturally yoked in all the crimes and misdemeanors consequent, spiritual and temporal, and stalk abroad as "The pestilence that walks in darkness, and destruction that wasteth at noonday." To abolish ignorance, disarm superstition and eradicate vice, is the work of the educator.

The mist and darkness that now envelop our moral and Christian land, give food for calm and mature reflection. Where are those giant minds, those towering intellects that should shed a halo of moral glory around our churches and communities? Alas! the echo answers where?

Brethren, this ought not to be. We do sometimes bestir our

selves for a few days or years, yet the truth remains the same—the effort ends with the bustle, "Darkness covers the land and gross darkness the people."

It is gratifying, however, to know that the brotherhood of the Baptists of our State endeavor to keep up in some measure on the great question. We have institutes, second to none of this grade, which we recommend to the consideration of this Association. Walk in wisdom, redeeming the time, seeing the days are evil.

E. M. MOBLEY, Chairman.

Foreign Missions.

We, your committee, would submit, as our report on Foreign Missions: That there is, under the control of the Southern Baptist Convention, a vast field to be occupied by our missionaries, embracing every quarter of the globe; and your committee feel the importance of this work being sustained, both by our prayers and contributions, recognizing the fact that the preaching of the gospel to the heathen is one of the impressive commands of our Lord and Master, that we must heed. We would ask, therefore, that churches send up of their bounty to support this great cause.

Respectfully submitted,

ROBERT SANDERS, Chairman.

Temperance.

We, your committee on Temperance, would ask to submit the following: We regard this as the most momentous moral question with which God's people have to deal. The inroads which intemperance, in its blasting course, has made into society and our nation, in the last quarter of a century, should call forth and arouse all our dormant energies and prayers.

Your committee feel the great need of action, quick and strong, to meet this diabolical foe in his devastating march in our beloved country; yet we feel incompetent to recommend what course as best for this great Baptist body to pursue, but would indicate our fears that our spiritual energies have not been put forth as they should have been.

We would, therefore, call upon our brotherhood to write temperance on their door-posts, and teach it at each coming in and going out, to our children, and that we place ourselves on the watch-tower, that our lights may light up the pathway of the benighted ones, and be ever ready to extend to them a hand to lift their feet from the quick-sands of dissipation and place them on the rock—even the rock Christ Jesus.

Respectfully submitted,

R. B. SANDERS, Chairman.

Report of Devotional Exercises as follows: Elder W. H. H. Fancher to preach to-night; Elder J. A. Hackett, at 11 o'clock on Sunday; Elder Thos. Hollis, at 2 o'clock P. M. Sunday; Elder E. E. Thornton, at night.

State Missions.

We, your committee on State Missions, beg leave to submit the following report: Since it is the object of the Convention Board to assist in the spread of the gospel in our own beloved State and elsewhere, we therefore urge a more hearty co-operation upon the part of the churches of our Association, as we will thereby be the better enabled to occupy the destitution in our Association and State. In so doing we secure concert of action and unity of spirit among the Baptists of the State.

Brethren, our obligation to spread the gospel will not cease until every creature shall have had the gospel preached to him.

Respectfully submitted,

C. C. GADDY, Chairman.

Adjourned until 9:30 A. M. Sunday. As per report of Devotional Committee, Elder W. H. H. Fancher preached on Saturday night from Jonah 1:6.

SUNDAY EXERCISES.

The report on Sabbath Schools was taken up at the appointed hour, and after discussion, was adopted.

Elder J. A. Hackett preached at 11 o'clock A. M., text 1st Cor. 6: 19, 20. Elder Thos. Hollis preached at 2 P. M., text, Luke 2: 10, 11. As it looked like rain, Elder E. E. Thornton did not fill his appointment.

Sabbath Schools

Your committee would recommend to Sunday School workers, prayer, patience, prudence and perseverance; and to pastors their hearty co-operation.

Respectfully submitted,

J. P. BROWN, Chairman.

THIRD DAY—MORNING SESSION.

MONDAY, October 22, 1888.

The body was called to order by the Moderator. Prayer by Elder D. L. Wilson.

Home Missions.

Your committee submit the following: The work, fostered by the Home Mission Board, is an important work. It has not received from our churches the attention it deserves. We are

happy to report, however, that we note a growing interest in this work, and we recommend that each church in this Association make, during this Associational year, a special contribution to this work.

Respectfully submitted,

E. E. THORNTON, Chairman.

Spiritual Condition of the Churches.

We, your committee, would ask to make the following report: That from the reading of the letters from different churches, the Lord has wonderfully blest us, and the Brotherhood are alive to the importance of occupying till our Master comes.

We would recommend to our brethren that they redouble their diligence, ever looking to the Lord from whom cometh all blessings.

Respectfully submitted,

H. W. PORTWOOD, Chairman.

By motion, the committee on Spiritual Condition of the Colored People was abolished.

Sustentation.

By this, we mean the support of indigent ministers, their widows and orphans. It is one of the strongest evidences of a Christian disposition, that we are willing to deny ourselves for the comforts of others who need and deserve our help. Surely there is no class to whom we are under more obligation than to those who have worn themselves out serving the people, and administering to us in spiritual things. But brethren, this has been shamefully neglected by this Association the past year, very little having been done toward this part of our work.

This is a work that addresses itself to us as individual Christians, as well as churches, and we should take thought to ourselves, and see whether or not we have done our duty in giving to the support of this object of benevolence; if not, brethren, let us do better in the future, for the demand is much greater than the supply throughout the State.

Respectfully submitted,

D. L. WILSON, Chairman.

Pastoral Support.

The report on Pastoral Support, after an excellent address by the Chairman, was adopted as follows: "Who goeth a warfare any time at his own charges? who planteth a vineyard, and eateth not of the fruit thereof? or who feedeth a flock, and eateth not of the milk of the flock? Say I these things as a man? or sayeth not the law the same also? For it is written in the law of Moses, Thou shalt not muzzle the mouth of the ox that treadeth

out the corn. Doth God take care of oxen? Or sayeth he it altogether for our sakes? For our sakes, no doubt, this is written: That he that plougheth should plough in hope; and that he that thresheth in hope should be partaker of his hope. If we have sown unto you spiritual things, is it a great thing if we shall reap your carnal things? If others be partakers of this power over you, are not we rather? Nevertheless we have not used this power; but suffer all things, lest we should hinder the gospel of Christ. Do ye not know that they which minister about holy things live of things of the temple? and they which wait at the altar are partakers with the altar? Even so hath the Lord ordained that they which preach the gospel should live of the gospel." (1st Cor. 9: 7, 14.)

Nominations, Queries and Requests.

Your committee beg leave to report: That Elder E. E. Thorn-ten preach the next Introductory Sermon, and Elder C. C. Gaddy, alternate.

We find that four churches have asked this body to convene with them. We believe that Carson Ridge is entitled to it.

We find a request from Doty Springs for the Union meeting to be returned to the several districts; we would recommend this plan to the body.

We find a request from Beulah for help on Pastoral Support. We would refer this matter to Executive Board.

Respectfully submitted,

W. C. LEONARD, Chairman.

The above report was adopted, with the exception of the request concerning the Union meeting being returned to the districts.

Publications.

Your committee submit the following: We urge our Christian brethren to read and teach the Bible, that we may better understand our Christian obligation to the Lord.

We also recommend the Southern Baptist Record and the Tennessee Baptist; both of these papers being fine supporters of missions, temperance and education; also the Foreign Mission Journal, the organ of the Foreign Mission Board; and our Home Field, the organ of the Home Mission Board of the Southern Baptist Convention, which papers afford a valuable fund of information concerning our works. For Sunday Schools we can find nothing better than the Kind Word Series; these publications are issued by the Home Board, at Atlanta, Ga.

Respectfully submitted,

J. P. GARNER, Chairman.

Woman's Work.

We, your committee, recommend the report of last year, with the figures of this year, which is as follows: It is with profound thankfulness to Almighty God that we note the active interest taken by the sisters of the societies composing the Central Committee of the Kosciusko Association, in the benevolent enterprises of the churches. Too much praise can scarcely be bestowed upon them; we rejoice over it as the dawning of that day when all Christians shall feel the obligation resting upon them to labor for the spread of the gospel. And to the end that this work of the sisters may be extended and made more efficient throughout this Association, we recommend the following:

1st. That societies be organized in every church in the Association.

2nd, That pastors give the sisters their aid and encouragement in the organization and work of the societies.

3rd. That the societies disburse their funds through their churches, making a quarterly report to Miss M. E. Sallis, Secretary of the Central Committee of this Association, at Sallis, Miss., and the church make an annual report to the Association of the work of said societies. Number of societies now reporting to the Secretary, three. Amount expended by these societies during the year, \$322 05.

A. H. BOOTH, Chairman.

Resolved, That the sincere thanks of this body be returned to this church and surrounding neighborhood for the hospitable manner in which they have entertained this session of the Association.

Resolved, That this body recommend to each church, where there is no Sabbath School, the appointment of one of its members to stir up an interest, organize a school, and report their success at the next meeting of this body.

Bethsaida was selected as the place for holding the Union Meeting, in December, 1888.

On motion, the Association adjourned to meet with Carson Ridge Church, four miles south of Ethel, on Friday before the third Sunday in October, 1889.

Thus ended a very profitable session of the Kosciusko Association. The preaching was good, and the discussions were conducted in a Christianlike manner. Everything contributed to make the stay of the messengers pleasant. The messengers took the parting hand and left for their homes feeling much revived.
